PLEASE PURCHASE THE BEACH PROBERTY AND ESTABLISH THE PUBLIC'S RIGHT TO WALK ACROSS THE BRIDGE (WHICH THE CITY HELP FUND) AND WALK DOWN 27TH TO THE BEACH !!!

What a WONDERFUL idea to purchase the land at the end of NW 27th Ave ! This beach parcel and walking access to it has existed for over a century. By default it has been a beach with access under public use, a known fact that the public walks down there. It should be noted that the north end of the road was similarly providing access to the beach, until the regrettable error of the public access being converted to private property and then a gate put up to close it off. We need to not allow this to happen on the south end. Additionally, if there is anyway to reclaim the north end or provide a walking path access to it, that would be a great benefit.
