8. The city should postpone a vote on Ordinance No. 967. Without proper evaluation and community input the City of Shoreline is exhibiting lack of due diligence in proposing a vote during the Shoreline City Council meeting scheduled for May 23rd, 2022. Issues include but not limited to; lack of parking, I live on 27th Avenue NW and routinely report vehicles illegally parked in the fire lane on the south end of 27th Ave NW; illegal trespassing, the private properties on 27th Ave NW extend westward to the approximate zero tide level (0.0) and the trespassing on private property, which exists today, I believe would only get worse if King County parcel 727810-0905 were to be acquired by the city and utilized for public land. The city should not consider obtaining this land until these issues have been addressed.
