Dear City Council,

I support the city acquiring the beach parcel.

We have walked the beach loop for over 30 years, and have never had a problem. We clean up plastic and other debris if we find it on the beach.

We respect the homeowners on 27th Ave., and agree that there should be no public parking there. I don't think there will be more foot traffic if the city acquires the parcel.

This parcel should not be privately owned. It provides a safe place for locals to walk the beach loop, and often there is no one at the beach. It is wonderful for local residents; we enjoy walking the beach loop and can enjoy the north end of Richmond Beach without having to walk down the main path to the beach.

Thank you,

Joyce Taibleson
