8. I vigorously support the acquisition of the beach property to provide safe and legal access to the pl public beach, an asset that belongs to the residents of Shoreline and beyond, by any means required including the use of eminent domain.
The residents of the street commonly known as Apple Tree lane will not in my opinion experience any ill effects from this, but likely will see the same type of quiet, respectful use, as is typical of beach walkers. Please vote in favor of acquiring the property.
Thank you,
