Dear Council Members:

I am addressing agenda [item 9\(b\) Ordinance 968](#), regulations for MUR-70 building sites.

Currently, no trees are required to be retained on MUR-70 sites. With Shoreline growing at an exponential rate, trees are being felled at an alarming rate for housing. MUR-80 sites require a 10% tree retention rate. Please also consider in your deliberations a 10% tree retention rate for MUR-70 sites.

Thank you.

Kathy Kaye
