8. Please prioritize development of Westminster Park, even if just some basic maintenance. We have many small children in the neighborhood and nowhere for them to play together. I live directly next door to the lot, yet my five young children choose to play in the street instead because it is not usable. It would be safer for them, and the other neighborhood kids, to have a designated space without the danger of cars.
9. Not answered

Thank you,  
**City of Shoreline**
