Subject: [EXTERNAL] Council- save trees on MUT-70' zones

YES, I support tree retention on MUR-70' zones: 10% on 70' building sites; 15% on 80' building sites; 20% on 90' and 140' building sites.

Deep Green and other incentive programs will not eliminate tree retention.

YES, I support that this code becomes effective upon Council approval (within 2 weeks). Shoreline is losing too many significant trees now.

Thank you.
