

PARDON OUR NOISE

Dear Neighbor,

In the evenings between 9/13/22 and 9/20/22 construction activity will take place on N/NE 155th Street between Midvale and 15th Ave NE. Doing this work at night allows us the opportunity to take advantage of the dry weather this week, reducing the risk of project delays, and minimizing impacts on Parkwood Elementary's transportation and operations.

Roadway paving is estimated to last 5 working nights, weather permitting, and will occur between 7:00pm and 5:00am Monday through Friday with construction progressing through the work limits. East of I-5 will be completed first, followed by areas to the west of I-5.

The activity has been permitted by the City of Shoreline, conditioned with measures to mitigate noise to the maximum extent possible.

Project Updates and more information is available at the project website:
