I agree with Tom McCormick's letter that states: I request that Agenda Item 7(c) be removed from the Consent Calendar for Council's meeting on Nov. 7, 2022. Agenda Item 7(c) is entitled, "Authorizing the City Manager to Enter into an Interagency Agreement with Department of Commerce and to Accept \$100,000 in Grant Funding, and up to \$20,000 in Grant Funding to Contract with Community Based Organizations, to Evaluate the Appropriateness of Adding Middle Housing Development Types in Zones Which Currently Only Allow Single-Family Development."

This is in direct opposition to what we residents want. We don't want our tax dollars evaluating something we will not support.
