Dear Mayor Scully and Councilmembers,

I'm an alumni parent of a Cascade K-8 students, requesting support for funding the remaining sidewalk additions needed for a COMPLETE path from Cascade K-8 Community school to 25th Avenue NE. The existing sidewalk is beautiful and wide. But it stops significantly short of 25th Avenue NE as it heads west from the school, sending any children who might be walking onto the street.

In the frequent dark and wet Pacific NW days, it can be to see pedestrians, especially children who may not yet be as competent as elders to pay attention to cars. They are not conscience of visibility issues.
