To Whom it May Concern,

I am writing to plead with the council to amend the budget to complete the sidewalk on N 200th from 25th Ave NE to 30th Ave NE in front of CK8 . My child attends Cascade and we and others have used this path in front of the school and it is truly unsafe for walking to and from school. This is a safety issue for our students as they have to walk into the street and among the traffic. I know the city prioritizes the safety of our youngest and most vulnerable more than this and will put forth a change to the budget that finishes this sidewalk. Thank you for your consideration!
