Mayor Scully and Councilmembers,

I'm a parent of a Cascade K-8 student, and I'm writing to request your support in funding the remaining sidewalk additions needed for a COMPLETE path from the school to 25th Ave NE. The existing sidewalk is beautiful and wide. But it stops significantly short of 25th Ave NE as it heads west from the school, sending any children who might be walking that way out onto the street. In addition, there was a recent traffic revision and anyone turning right onto 200th from 25th Ave NE has limited visibility and swings wide into the opposite lane. This increases the danger to any pedestrians walking west on 25th Ave NE. Especially in these dark and wet days, we all realize how hard it can be to see pedestrians, especially children who may not yet be as adept as grownups at paying attention to cars or realizing they are not visible.

Respectfully,  
Erin Reid
