My child was nearly struck by a car while trying to cross the road near Cascade K-8. Traffic was stopped at the stop sign, so she walked out into the middle of the road, but could not see the car whipping around the corner going the other direction. I had to grab her and pull her back. PLEASE extend the crosswalk and put a crosswalk on the corner, so that she has a proper place with good visibility to cross the street.

Thank you,
Ryan MacDicken
