7. Special Meeting - Proclamations
8. I think the greater number of proclamations has decreased their significance. I followed them with interest when I started attending Council meetings several years ago. But now they appear to be perfunctory announcements.

Continuing to add to the list could conceivably result in adding: Adopt a Pet, Smile at Strangers, Walk 10,000 Steps, No Jaywalking, and whatever your imagination may take you.

I realize the difficulty of narrowing the number (just by looking for ones I would eliminate) but more than one per meeting is just a list of things - not worth separate proclamations.
