8. I'd like to make a comment about the proposal to put a park at 14509 3rd Avenue N in Shoreline, with the surplus of land remaining from the addition of two more lanes of traffic on 145th and a roundabout. I don't think it's a great idea to place a park right off the freeway, next to 4 busy lanes of traffic and right across from the light rail station. There are concerns with safety, noise and air quality with that site. Find a safer area somewhere else that better fulfills the purpose of a park. Thank you.
