7. Resolution #498
8. I don't understand what purpose would be served, creating a tiny park at what will be a very heavy traffic intersection. I feel public funds would be better spent maintaining our beautiful Twin Ponds Park or any other park in our city. I didn't mind voting Yes on Resolution 1, as our park system is large, which I appreciate greatly, but I find adding a tiny plot of land to that system to be counterintuitive going forward...

Thank you

9. Oppose

Thank you,
