

Notice of CON Meeting on January 4, 2023

While we usually have a training at our January CON meeting, we'll start the year with an in-person meeting and an opportunity to give input through an engaging, interactive exercise. Guiding us will be the FORMA/Mithun team, our Progressive Design-Build consultants for 6 parks around the City. They are: Briarcrest Park, Richmond Highlands Park, James Keough Park, Hillwood Park, Ridgecrest Park, and Brugger's Bog Park. You will consider all these parks, and can get a preview [here](#). You will find full information at the bottom of this message.

Wednesday, January 4, 7 to 9 pm
CON meeting with the Forma/Mithun Team
Council Chambers, Shoreline City Hall

Please extend this invitation to others on your board, or to association members who would like to participate. **RSVPs are really important for this.** Let me know as soon as possible if you can come, and who else from your neighborhood we can expect.
