

CONCERNED ABOUT HOUSING IN SHORELINE?

City of Shoreline is looking at ways to have more housing choices in more places in the coming years. We'd love to learn about your priorities, needs, and concerns for housing in our community! We're looking for eight to 12 people to participate in a facilitated, small group discussion.

Thurs, May 4: Young adults between the ages of 18 and 36 who rent their housing and currently live or are interested in living in Shoreline

Weds, May 9: People who work frontline jobs, such as teachers, food service workers, laborers, childcare providers, etc., who live or work in Shoreline

The sessions may happen virtually or in person, depending on the preference of the group. Participants are eligible to receive a \$75 gift card!

**We are prioritizing space for Black, Indigenous, and People of Color and other people from historically marginalized communities. Registering does not guarantee a spot, and you may be waitlisted.*
