By now, all Councilmembers and many Shoreline residents know how vital trees are to our health and well-being. In light of passage of HB 1110, before we lose hundreds more trees, I implore you to revise Shoreline's residential tree code to preserve more significant trees, and to require the planting of substantial-size conifers -- not only in parks, but in the neighborhoods where live.

Thank you.  
Jonelle Kemmerling  
Shoreline Resident
