New City Hall
17500 Midvale Avenue North
Shoreline, Washington

The following training was provided; no minutes were taken.

Workshop Goals

By the end of this evening you'll have:

- A handful of concrete ideas for an action plan to engage your community
- 3 ways to improve your leadership abilities and be a positive role model

I. Leadership Principles for the 21st Century

- What Leadership Used to Be, What Leadership is Becoming

II. Emerging Leadership Voices in Your Neighborhood

- Who are they? Where are the logical partnership connections?
- What do they care about and why would they get involved in your neighborhood?

III. Relationship-Building and Engaging these potential Leadership Voices

- What are their talents and resources?
- What might be meaningful for them?
- How might you engage them?

IV. Leadership Self-Reflection

- What really works for you as a leader?
- What doesn't – and what do you need to do differently or stop doing?
- What do you commit to, tonight, before you leave?
