7. Planning Commission,

Thank you for considering 'Transportation Concurrency – SMC Title 20 Code Amendments' on the 10/19/2023 agenda! I'd like to express enthusiastic support for

updating the City's concurrency test to a multi-modal person-trip model - this will be a critical step towards achieving the City's goals around climate change, safety, and equity in our transportation system.

Please recommend approval of the proposed amendments (either as-is or appropriately amended) to the City Council for adoption.

Thank you,
City of Shoreline
