C. No person shall fail or neglect, after proper demand, to admit the director, while acting within the scope of his employment, to any place of business or entertainment licensed, registered or permitted pursuant to any business license ordinance, or to interfere with the director while in the performance of his duty. (Ord. 1888 Art. III § 1, 1974).

6.01.120 Duties of the director. The director is authorized and directed to enforce the terms and provisions of all business license ordinances. Copies of all rules and regulations adopted by the board shall be delivered to the director who shall make them freely accessible to the public. All decisions and findings of the board shall be rendered to the appellant in writing with a copy to the director.

B. Any person entitled to service pursuant to Section 6.01.130 of this chapter may appeal from any notice and order or any action of the director by filing at the office of the director within seven days from the date of service of such order, a written appeal containing;

6. The signatures of all parties named as appellants, and their official mailing addresses;

7. The verification (by declaration under penalty of perjury) of at least one appellant as to the truth of the matters stated in the appeal.

C. As soon as practicable after receiving the written appeal the board of appeals shall fix a date, time, and place for the hearing of the appeal by the board. Such date shall be not less than ten days nor more than sixty days from the date the appeal was filed with the director. Written notice of the time and place of the hearing shall be given at least ten days prior to the date of the hearing to each appellant by the clerk/manager of the board either by causing a copy of such notice to be delivered to the appellant personally or by mailing a copy thereof, postage prepaid, addressed to the appellant at his address shown on the appeal.

D. At the hearing the appellant shall be entitled to appear in person and be represented by counsel and offer such evidence pertinent and material to the action of the director.

E. Only those matters or issues specifically raised by the appellant in the written notice of appeal shall be considered in the hearing of the appeal.

F. Failure of any person to file an appeal in accordance with the provisions of this section shall constitute a waiver of his right to an administrative hearing and adjudication of the notice and order, or any portion thereof.

G. Enforcement of any notice and order of the director shall be stayed during the pendency of an appeal therefrom which is properly and timely filed. (Ord. 1888 Art. III § 5, 1974).

6.08.005 Findings of fact. Based on public testimony and other evidence presented to it, the King County council makes the following Findings of Fact:

A. The activities defined and regulated hereinafter are detrimental to the public health, safety, morals, and general welfare of the citizens of King County and, therefore, such activities must be regulated as provided herein.

B. Regulation of the adult entertainment industry is necessary because in the absence of such regulation significant criminal activity has historically and regularly occurred. This history of criminal activity in the adult entertainment industry has included prostitution, narcotics and liquor law violations, breaches of the peace and the presence within the industry of individuals with hidden ownership interests and outstanding arrest warrants.

C. The activities described in subsection B. of this section occur, in the absence of regulation, regardless of whether the adult entertainment is presented in conjunction with the sale of alcoholic beverages.

D. It is necessary to license entertainers in the adult entertainment industry to prevent the exploitation of minors; to ensure that each such entertainer is an adult; and to ensure that such entertainers have not assumed a false name, which would make regulation of the entertainer difficult or impossible.

E. It is necessary to have a licensed manager on the premises of establishments offering adult entertainment at such times as such establishments are offering adult entertainment so that there will at all necessary times be an individual responsible for the overall operation of the establishment, including the actions of patrons, entertainers and other employees.

F. The license fees required hereinafter are necessary as nominal fees imposed as necessary regulatory measures designed to help defray the

substantial expenses incurred by King County in regulating the adult entertainment industry.

G. Hidden ownership interests for the purposes of skimming profits and avoiding the payment of taxes have historically occurred in the adult entertainment industry in the absence of regulation. These hidden ownership interests have historically been held by organized and white collar crime elements. In order for King County to effectively protect the public health, safety, morals, and general welfare of its citizenry it is important that the county be fully apprised of the actual ownership of adult entertainment establishments.

H. Based on the testimony of law enforcement officers and members of the public, and on other evidence, information, documents and materials submitted to and reviewed by the King County council, the King County council makes the following findings of fact:

1. The use of property to operate, conduct or maintain adult entertainment use establishments is a use which, because of its very nature, has serious objectionable operational characteristics. Those operational characteristics include a wide range of criminal and other unlawful activities that have regularly and historically occurred, including prostitution, narcotics and liquor law violations, breaches of the peace, assaults, and sexual conduct involving contact between patrons, and between entertainers and patrons, some of whom have been minors.

2. The objectionable operational characteristics related to the operation of adult use establishments are the most serious, and pose the greatest threat to the welfare of the citizens of King County, when conducted in close proximity to places where minors gather.

3. The need to protect minors from the criminal and other unlawful activities associated with the operation of adult use establishments is compelling. The provisions of this chapter are necessary to ensure that adult uses and adult entertainment in unincorporated King County are conducted a reasonable distance away from places where minors regularly gather, often in large numbers.

4. The requirements of this chapter will make it less likely that minors, on their way to and from the gathering places set forth in K.C.C. 21A.08.040 and 21A.08.070 will become victims of the criminal and other unlawful activities that have regularly and historically occurred in and around adult use establishments; will make it less likely that minors will gain access to adult use establishments; will make it less likely that minors will be hired or otherwise work as entertainers in adult entertainment establishments; and will make it less likely that patrons and employees, including entertainers, of adult use establishments will victimize minors at or near the gathering places set forth in K.C.C. 21A.08.040 and 21A.08.070.

5. The use of property to operate, conduct or maintain adult use establishments is not compatible with residential uses due to the secondary effects such adult use establishments have on residential neighborhoods. The requirements of this chapter will minimize those secondary effects by ensuring that adult use establishments do not locate in close proximity to residential neighborhoods, thereby protecting the character of residential neighborhoods in unincorporated King County and the welfare of its citizens. (Ord. 11792 § 3, 1995: Ord. 9915 § 1, 1991: Ord. 7216 § 1, 1985).

1. The public dance is sponsored by an accredited educational institution; or

2. The public dance is sponsored by a nonprofit tax exempt organization, corporation or association recognized by the United States of America as exempt from federal income taxation pursuant to 501(c) (1) or (3) of the Internal Revenue Code of 1954, 26 U.S.C. 501 as now existing or hereafter amended.

C. County Agency Operation. If the public dance hall is managed or operated by a King County government agency, the requirements of this chapter may be waived by the director by rule adopted pursuant to Chapter 2.98, K.C.C. upon written application by the chief officer of the agency. 6.84.020 Definitions. A. "Shooting Range" means a facility designed for and providing a confined space for safe target practice with firearms. Archery ranges are specifically excluded from this definition.

B. "Range master" means a person or persons appointed by the operators of a shooting range to oversee the safe discharge of shotguns, rifles, or pistols in accordance with the design standards and safety specifications of this chapter and any additional safety specifications which may be adopted by the operators of the shooting range. (Ord. 11563 § 2, 1994, Ord. 11177 § 4, 1993).

6.84.030 License required. The operators of all shooting ranges shall apply for an operating license within three months of the effective date of this chapter (January 9, 1994), on an application form prescribed by the manager of the King County licensing and regulatory services division. The King County licensing and regulatory services division is authorized to issue such license after a determination that the design standards and safety specifications set forth in this chapter are satisfied. The licensing and regulatory services division shall base their licensing determination on the review and concurrence of the King County departments of public safety and development and environmental services or their designee. This section shall not relieve the applicant of any obligation to obtain any other required land use or building permits or approvals, except shooting ranges in operation prior to the effective date of this chapter (January 9, 1994) shall not be required to seek new land use or building permits solely for issuance of a license. (Ord. 11177 § 5, 1993).

6.84.040 Operating without a license prohibited. No shooting range shall operate without a license issued pursuant to this chapter, provided, that clubs and ranges in existence prior to the effective date of Ordinance 11177 (January 9, 1994) may continue to operate without a license for no more than twenty-four months from the effective date, or the date permits are issued, whichever is later if needed permits are applied for within one year of notification by the King County department of licensing of facility modifications required by this chapter and the operating license application requirements set forth in K.C.C. 6.84.030 have been met. (Ord. 11563 § 3, 1994, Ord. 11177 § 6, 1993).

6.84.050 Denial, suspension or revocation of license. The manager of the licensing and regulatory services division may deny, suspend or revoke any license issued under this chapter, consistent with K.C.C. chapter 6.01, if the applicant, any of its officers, directors, partners, or members have violated any of the provisions of this chapter. (Ord. 11177 § 7, 1993).

6.84.060 License fee. A license fee of fifty dollars shall be charged for review and processing of the license application. The department of public safety and department of development and environmental services may charge additional fees, not to exceed five times the license fee, to cover the cost of review as necessary. (Ord. 11177 § 8, 1993).

6.84.070 License renewal. The operating license shall be reviewed and renewed every five years. Expansions of the level or type of shooting activity authorized by the license shall require review and issuance of a new license whenever such expansion occurs. New shooting activities shall not be permitted until authorized by a new license. Applications for license renewal shall be made in writing on forms prescribed by the manager of the licensing and regulatory services division at least thirty days prior to the expiration of the existing license. (Ord. 11177 § 9, 1993).

6.84.080 Safety standards and specifications. All shooting ranges licensed pursuant to this chapter shall comply with the following safety standards and specifications:

A. All structures, installations, operations, and activities shall be located at such a distance from property lines as will protect adjoining properties from hazard, when the ranges are used in accordance with range safety rules and standards.

B. Overhead baffles (or other constructs/devices), shall be installed at all stationary shooting positions to prevent errant rounds from escaping pistol and rifle ranges when such ranges are used in accordance with range safety rules and standards.
