Starting **June 1, 2024**, Shoreline businesses serving or selling food must use:

- Reusable service ware for on-site dining
- Commercially compostable service ware for takeout and to-go orders

To help businesses comply with these new rules, the City of Shoreline is offering businesses up to \$500 worth of reusable and compostable service ware products to replace single-use plastic items.

To learn more and apply, scan the QR code or visit ShorelineWA.gov/Compost.
