

ENERGIZE SHORELINE

Free Heat Pump Installation Application

ABOUT

Energize Shoreline is the City's newest program that provides residents with education and exclusive savings on heat pumps. Through this program, we also offer FREE heat pumps and installations to income-qualified residents — saving you tens of thousands of dollars and giving you access to year-round heating and cooling for your home.

ELIGIBILITY

To qualify for a free heat pump and installation, you must:

1. Be enrolled in at least one of the following:
 - Seattle City Light's Utility Discount Program (UDP)
 - City of Shoreline's Wastewater Utility Discount Program
2. Have attended an Energize Shoreline workshop
3. Live in a single-family home or townhome within Shoreline city limits
4. Have a home heated by a natural gas system that is in working condition

Scan to view
the Free Heat
Pump webpage.

If you meet *all* of the program qualifications, you can apply for a free heat pump and installation!

APPLICATION PROCESS

This limited-time program is available on a first-come, first-served basis. To apply, please complete pages 2-3 and return your completed, signed form via email to **environment@shorelinewa.gov**, or by mail to:

City of Shoreline
Attn: Environmental Sustainability
17500 Midvale Avenue North
Shoreline, WA 98133

If you have any questions about the application or program, please reach out to Amy Bettle at **amy@sparknorthwest.org**.

APPLICATION

Note: Answers to these questions may affect prioritization in the Energize Shoreline program. However, all single-family home residents who meet the eligibility requirements can apply.

If you have any questions about the application or program, please reach out to at amy@sparknorthwest.org.
