- 4.1. Nothing herein shall be deemed to direct or restrict the City's ability to adopt and enforce all necessary and appropriate ordinances regulating PSE's exercise of its rights under this Franchise. 5. Right-of-Way Management.

- 5.1. PSE's Facilities shall be maintained within the Right-of-way and PSE's activities shall be undertaken in such a manner, so as not to unreasonably interfere with the free and safe passage of traffic and unobstructed use of adjoining property in accordance with City standards and regulations.

All necessary permits must be obtained prior to such work.
- 5.4. Restoration after Construction.
- 5.4.1. If the Right-of-way is not restored in accordance with the City's notice within thirty (30) days of that notice, the City, or its authorized agent, may restore the Right-of-way. PSE shall be responsible for all costs and expenses incurred by the City in restoring the Right-of-way in accordance with this Section. The remedy granted to the City under this Section shall be in addition to those otherwise provided by this Franchise.

PSE may meet the obligations of this Section with one or more bonds acceptable to the City. In the event that a bond issued pursuant to this Section is canceled by the surety, after proper notice and pursuant to the terms of said bond, PSE shall, prior to the expiration of said bond, procure a replacement bond which complies with the terms of this Section.

However, this emergency provision shall not relieve PSE from later obtaining any necessary permits for the emergency work. PSE shall apply for the required permits the next business day following the emergency work or, in the case of an extended state of emergency, as soon thereafter as practical.
- 5.8. Blanket Permit. PSE shall be authorized to perform Minor Activities without a City permit of any kind and Blanket Activities under the terms and conditions of this Section 5.8 provided that the terms "Minor Activities" and "Blanket Activities" are defined in a specifically negotiated Blanket Permit Definitions, a copy of which shall be filed with the City Clerk and identified by Clerk's Receiving Number 1910. Any change made pursuant to this Paragraph, including any change in the permit inspection/processing fee stated in Blanket Permit Definitions, shall thereafter apply to all subsequent work performed pursuant to this Section 5.8. Further, the City may terminate the Permittee's authority to work in the Right-of-way under a Blanket Permit as provided by the terms of this Section at any time without cause by providing thirty (30) days written notice to the Permittee. 5.9.1. PSE shall exercise the rights granted in this Franchise in accordance with applicable safety rules and regulations.

5.10. Dangerous Conditions, Authority for City to Abate.

5.10.1. In the event that PSE's Facilities or operations cause or contribute to a condition that appears to endanger any person or substantially impair the lateral support of the adjoining Right-of-way, public or private property, the City Manager may direct PSE, at no charge or expense to the City, to take actions to resolve the condition or remove the endangerment. Such directive may include compliance within a prescribed time period.

5.10.2. In the event PSE fails to promptly take action as directed by the City, or fails to fully comply with such direction, or if emergency conditions exist which require immediate action to prevent imminent injury or damages to persons or property, the City may take such actions as it believes are necessary to protect persons or property and PSE shall be responsible to reimburse the City for its costs. The City's authority to act upon PSE's Facilities hereunder is specifically limited to actions, taken by trained emergency response personnel, to stop the flow of natural gas actively contributing to a dangerous condition in the face of PSE's failure to timely respond to the City's request for such action.

5.11. Relocation of Facilities.

5.11.1. PSE agrees to protect, support, temporarily disconnect, relocate or remove from the Right-of-way its Facilities without cost to the City, when so required by the City to facilitate the completion of or as a result of a public project, provided that PSE shall in all such cases have the privilege to temporarily bypass, in the authorized portion of the Right-of-way and upon approval by the City, any Facilities required to be temporarily disconnected or removed. As used in this Section, the term "public project" is a project included in any future City adopted six-year Capital Improvement Program and consistent with the City's Comprehensive Plan as currently adopted or hereinafter amended.

5.11.2. If the City determines that a Public Project necessitates the relocation of PSE's existing Facilities, the City shall:

5.11.2.1. As soon as possible, but not less than sixty (60) days prior to the commencement of such Public Project, provide PSE with written notice requiring such relocation; and

5.11.2.2. Provide PSE with copies of any plans and specifications pertinent to the requested relocation and a proposed temporary or permanent relocation for PSE's Facilities.

5.11.2.3. After receipt of such notice and such plans and specifications, PSE shall complete relocation of its Facilities at no charge or expense to the City at least ten (10) days prior to commencement of the Public Project or at such later time as mutually agreed by the City and PSE.

5.11.3. PSE may, after receipt of written notice requesting a relocation of its Facilities, submit to the City written alternatives to such relocation. The City shall evaluate such alternatives and advise PSE in writing if any of the alternatives are suitable to accommodate the Public Project. If so requested by the City, PSE shall submit additional information to assist the City in making such evaluation. The City shall give each alternative proposed by PSE full and fair consideration. In the event the City ultimately determines that there is no other reasonable alternative, PSE shall relocate its Facilities as provided in this Section.

5.11.4. If the City requires the subsequent relocation of Facilities within five (5) years from the date of relocation of such Facilities pursuant to this Section, then the City shall bear the entire cost of such subsequent relocation.

5.11.5. If the City vacates any Right-of-way with PSE Facilities, the City shall reserve an easement in its vacation ordinance adequate for the repair, maintenance and replacement of the Facilities and sited along the location of the Facilities, provided that no easement shall be reserved if the vacation is for a Public Project and the Facilities are to be relocated under this Section 5.11. No easement shall be reserved if the vacation is conditioned upon a vacation petitioner's payment for the cost of relocating existing Facilities to another Right-of-way or private easement including necessary service reconnections caused by the relocation.

5.11.6. The provisions of this Section 5.11 shall in no manner preclude or restrict PSE from making any arrangements it may deem appropriate when responding to a request for relocation of its Facilities by any person other than the City, where the improvements to be constructed by said person are not part of a Public Project, provided that such arrangements do not unduly delay or increase the cost of a related Public Project.

5.12. PSE's Maps and Records. PSE agrees to provide the City, upon reasonable request and without charge, copies of available as-built plans, maps, and records, in use by PSE, that show the approximate vertical and horizontal location of its Facilities at specified locations within the Right-of-way. If available, such maps shall also be provided in Geographical Information System (GIS) or other digital electronic format used by the City.. All such maps and records will be provided for informational purposes only. PSE does not warrant the accuracy of any map or other information provided under this Section 5.12, and to the extent the location of Facilities are shown, such locations are approximate.

5.13. Utility Location. Nothing herein is intended (nor shall be construed) to relieve either party of their respective obligations arising under applicable law with respect to determining the location of utility facilities.

5.14. Underground Installation. PSE hereby affirms its understanding and agreement that its activities within the City must comply with Shoreline Municipal Code ("SMC") 13.20, which establishes minimum requirements and procedures for the underground installation of electric and communication facilities, to the extent it applies to PSE's activities under this Franchise. Consistent with that regulation, PSE shall install Facilities under this Franchise underground subject to and in accordance with tariffs on file with the Washington Utilities and Transportation Commission; provided, that PSE may install above ground those Facilities that must be so installed in order to function properly. PSE will also share information and otherwise cooperate with the City and other utility providers to serve the objectives of SMC 13.20.

6. Planning Coordination.

6.1. Growth Management. PSE agrees, as follows, to participate in the development of, and reasonable updates to, the utilities element of the City's comprehensive plan:

6.1.1. PSE will participate in a cooperative effort with the City to ensure that the Utilities Element of Shoreline's Comprehensive plan is accurate as it relates to PSE's operations and is updated to ensure its continued relevance at reasonable intervals.

6.1.2. PSE shall submit information related to the general location, proposed location, and capacity of existing and proposed Facilities as requested by the City Manager within a reasonable time, not exceeding sixty (60) days from receipt of a written request for such information.

6.2. System Development Information. PSE will assign a representative whose responsibility shall be to coordinate with the City on planning for City Capital

Improvement Program projects. At a minimum, such coordination shall include the following:

- 6.2.1. By March 1st of each year, PSE shall provide the City Manager or his designee with a schedule of its planned capital improvements, which may affect the Right-of-way for that year;
 - 6.2.2. PSE shall meet with the City, other franchisees and users of the Right-of-way, according to a schedule to be determined by the City, to schedule and coordinate construction; and
 - 6.2.3. All construction locations, activities, and schedules shall be coordinated, as required by the City Manager or his designee, to minimize public inconvenience, disruption, or damages.
 - 6.2.4. PSE will cooperate with the City to extend its natural gas distribution system into areas of the City that do not have natural gas service available in conjunction with City road improvement projects subject to applicable PSE tariffs on file with the Washington Utilities and Transportation Commission.
- 6.3. Emergency Operations. The City and PSE agree to cooperate in the planning and implementation of emergency operations response procedures.

7. Indemnification.

- 7.1 PSE hereby agrees to indemnify, defend and hold harmless the City, its elected officials, employees, agents, and volunteers from any and all claims, costs, judgments, awards or liability to the extent the same is caused by the negligent acts or omissions of PSE, its agents, servants, officers or employees in performing activities authorized by this Franchise. This covenant of indemnification shall include, but not be limited by this reference, claims against the City to the extent they arise as a result of the negligent acts or omissions of PSE, its agents, servants, officers or employees in barricading, instituting trench safety systems or providing other adequate warnings of any excavation, construction, or work in any right-of-way or other public place in performance of work or services permitted under this franchise. If final judgment is rendered against the City, its elected officials, employees, agents, and volunteers, or any of them, PSE shall satisfy the same to the extent it is based on a claim or demand which is covered by PSE's indemnification obligations hereunder. In the event any claim or demand presented to, or suit or action is commenced against, the City based upon any such claim or demand, the City shall promptly notify PSE thereof, and PSE may elect, at its sole cost and expense, to settle and compromise such suit or action, or defend the same with attorneys of its choice. If any such claim or demand is subject to RCW 4.24.115 and caused by or results from the concurrent negligence of (a) the City, its elected or appointed officials, or its agents or employees; and (b) PSE, or PSE's agents or employees, then in such event the defense and indemnity provisions provided for in the preceding paragraph 7.1 shall be valid and enforceable only to the extent of PSE's negligence.
- 7.2 The City shall not be liable upon, and PSE shall indemnify and defend the City from and against, any claim which is caused by the acts or omissions of PSE in exercising

its rights under this Franchise and is asserted by any person against the City for injury to any person or damage to property, to the extent such claim is asserted solely on the basis of the City's ownership or control of the Right-of-way or the City's grant of this Franchise to PSE.

7.3 PSE's indemnification obligations pursuant to this Franchise shall be valid and enforceable with respect to actions brought against the City by PSE's own employees and the employees of PSE's agents, contractors, and subcontractors notwithstanding PSE's immunity under Title 51 RCW from direct suit brought by such employees. It is expressly agreed and understood that the foregoing waiver is limited solely to claims against the City arising by virtue of PSE's exercise of the rights set forth in this Franchise and excludes claims against PSE or claims arising from and to the extend of the negligent acts or omissions of the City, its officials, employees or agents. The obligations of PSE under this Franchise have been mutually negotiated by the parties hereto, and PSE acknowledges that the City would not enter into this Franchise without PSE waiver thereof. To the extent required to provide this indemnification and this indemnification only, PSE waives its immunity under Title 51 RCW as provided in RCW 4.24.115; provided, however, the foregoing waiver shall not in any way preclude PSE from raising such immunity as a defense against any claim brought against PSE by any of its employees.

7.4 Inspection or acceptance by the City of any work performed by PSE at the time of completion of construction shall not be grounds for avoidance of PSE's indemnification obligations. Said indemnification obligations shall extend to claims that are not reduced to a suit and any claims that may be compromised prior to the culmination of any litigation or the institution of any litigation.

8. **Insurance.**

8.1. In lieu of the insurance requirements set forth below in this Section 8 and with the concurrence of the City, PSE may utilize a combination of operating reserves and excess liability insurance to protect against such risks in such amounts as are consistent with good utility practice. To secure such concurrence, PSE and the City may, from time to time, review PSE's financial position and risk management program. Upon PSE's acceptance of this Franchise and upon reasonable request thereafter, PSE shall provide the City with reasonable written evidence that such protection is being maintained.

8.2. Except as otherwise provided in Paragraph 8.1, PSE shall procure and maintain for the duration of the Franchise, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the exercise of the rights, privileges and authority granted hereunder to PSE, its agents or employees. A combination of self-insurance and excess liability insurance may be utilized by PSE. Upon PSE's acceptance of this Franchise, PSE shall provide to the City a certificate of insurance and/or evidence of self insurance evidencing the following required coverages and limits:

ORIGINAL

- 8.2.1. Automobile Liability insurance for owned, non-owned and hired vehicles with limits no less than \$4,000,000 Combined Single Limit per accident for bodily injury and property damage; and
- 8.2.2. Commercial General Liability insurance policy and self-insurance coverage providing combined coverage of no less than \$50,000,000 combined single limit per occurrence and \$50,000,000 aggregate for personal injury, bodily injury and property damage. Coverage shall include premises, operations, independent contractors, products-completed operations, personal injury and advertising injury. There shall be no endorsement or modification of the Commercial General Liability insurance for liability arising from explosion, collapse or underground property damage. If coverage is provided by self-insurance or a policy of insurance written on a claims made rather than occurrence basis, PSE agrees to maintain the same levels of self-insurance or claims made policy coverage, or to purchase endorsements providing additional reporting periods in which claims otherwise covered by the claims made policy or self-insurance may be reported, for a period of three (3) years following either the discontinuance of the claims made policy or self-insurance or the termination of this Franchise, whichever is earlier.
- 8.3. Payment of deductible or self-insured retention shall be the sole responsibility of PSE.
- 8.4. The coverage shall contain no special limitations on the scope of protection afforded to the City, its officers, officials, or employees. In addition, the insurance policy shall contain a clause stating that coverage shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability. PSE's insurance shall be primary. Any insurance, self-insurance, or insurance pool coverage maintained by the City shall be excess of PSE's insurance and shall not contribute with it. Coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days prior written notice has been given to the City.

9. **Enforcement.**

- 9.1. A substantial violation or breach of this Franchise by PSE shall include, but shall not be limited to, the following:
 - 9.1.1. An uncured violation of any material provision of this Franchise, or any material rule, order or regulation of the City made pursuant to its power to protect the public health, safety and welfare;
 - 9.1.2. An intentional evasion or knowing attempt to evade any material provision of this Franchise or practice of any fraud or deceit upon the City;
 - 9.1.3. An uncured failure to pay fees that may be associated with this Franchise, if any.
- 9.2. In the event either party shall fail to comply with the terms of this Franchise, the other party shall provide the non-complying party with detailed written notice of any alleged violation or breach. The party who is allegedly in non-compliance shall have a period of 60 days following such written notice to cure the alleged violation or

breach, demonstrate to the other's satisfaction that a violation or breach does not exist, or submit a plan satisfactory to the other to correct the violation or breach. If, at the end of said 60-day period, the City or PSE reasonably believes that a substantial violation or material breach is continuing and the party in breach is not taking satisfactory corrective action, the other may declare that the party in breach is in default, which declaration must be in writing. Within 20 days after receipt of a written declaration of default, the non-defaulting party may terminate this Franchise.

- 9.3. The City or PSE may, in its discretion, provide an additional opportunity for the other to remedy any violation or breach and come into compliance with this Franchise so as to avoid termination.
- 9.4. Any violation or breach by PSE continuing to exist after the expiration of the notice and cure periods identified in Section 9.2 may be remedied by the City at PSE's expense.
10. **Force Majeure.** Neither party will be subject to penalty for any non-compliance with this Franchise or delay in compliance of any of its obligations hereunder where such compliance is prevented or delayed by acts of God (except normal weather conditions for the Shoreline-Seattle area), fire, explosion, accident, flood, epidemic, war, riot, rebellion, interruption or rationing of fuel supply, or other unexpected and uncontrollable event ("force majeure events"). If a force majeure event occurs, this Section will only apply if the Party intending to seek the protections of this Section notifies the other Party in writing. The City may continue to exercise its rights to abate any Dangerous Condition consistent with Section 5.10.
11. **Survival.** All of the provisions, conditions and requirements of Sections 5.3 Abandonment Of PSE's Facilities, 5.4 Restoration After Construction, 5.10 Dangerous Conditions, Authority For City To Abate, 7. Indemnification, 8. Insurance, and other sections of this Franchise that may be reasonably construed to survive the termination or expiration of this Franchise shall survive such termination or expiration. All of the provisions, conditions, regulations and requirements contained in this Franchise shall further be binding upon the heirs, successors, executors, administrators, legal representatives and assigns of the parties hereto and all privileges, as well as all obligations and liabilities of each party shall inure to their respective heirs, successors and assigns.
12. **Severability.** If any Section, sentence, clause or phrase of this Franchise should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of any other Section, sentence, clause or phrase of this Franchise. The Parties may amend, repeal, add, replace, or modify any provision of this Franchise to preserve the intent of the parties as expressed herein prior to any finding of invalidity or unconstitutionality.
13. **Assignment.** This Franchise shall not be sold, transferred, assigned, or disposed of in whole or in part either by sale, voluntary or involuntary merger, consolidation or otherwise, without the written approval of the City, which shall not be unreasonably withheld. The City may recover from PSE any actual administrative expenses incurred by the City during its review of any transfer proposed by PSE.

The word "control" as used herein is not limited to majority stock ownership only, but includes actual working control in whatever manner exercised.
- 13.2. Except as otherwise provided herein, PSE shall promptly notify the City prior to any proposed change in, or transfer of, or acquisition by any other party of control of PSE. Every change, transfer, or acquisition of control of PSE shall cause a review of the proposed transfer. In the event that the City denies its consent and such change, transfer or acquisition of control has been effected, the Franchise is terminated.
- 13.3. PSE shall be permitted, without the City's approval, to mortgage its rights, privileges and authority in and under this Franchise to the trustee under its mortgage indenture for the benefit of its bondholders.
