City of Shoreline Administration

MAYOR	Keith McGlashan
DEPUTY MAYOR	Will Hall
COUNCIL MEMBERS	Chris Eggen Doris McConnell Chris Roberts Terry Scott Shari Winstead
CITY MANAGER	Julie Underwood
CHIEF OF POLICE	Daniel M. Pingrey

From Your Police Chief

Dear Residents of Shoreline,

I am pleased to present the eleventh annual Police Service Report. This report serves as our “report card” and highlights crime trends, crime prevention efforts, and overall performance for 2010.

The City of Shoreline experienced a slight decrease in serious crimes. This is the fourth consecutive year we have seen a decrease in Part I crimes, largely due to significant reductions in robbery, residential burglaries, arsons and larcenies, over \$250. There was a noticeable increase in forcible rape, commercial burglaries and larcenies, under \$250. We will continue to increase our public education and crime prevention to help reduce these trends. Traffic accidents took another significant drop after remaining neutral last year. Traffic safety continues to be one of our top priorities, and making our streets safe for drivers and pedestrians is something we take very seriously. We will continue to work with City planners and engineers to reduce the number of accidents in 2011.

We did notice an increase in commercial burglaries in 2010. We will proactively work with our business partners to provide education and increase awareness. We have worked closely with the prosecutor’s office on the Repeat Burglar Initiative, to identify the top offenders and get enhanced sentencing at trial. This continues to be a very successful partnership with several large cases investigated and charged by the Shoreline Criminal Investigation Unit.

Shoreline Police officers responded to 10,981 dispatched calls for service, a 2.5% decrease from 2009. Our average response time to life threatening calls was a very good 4.20 minutes, which is below the national standard of five minutes and slightly lower than our 2009 response times. This is an important measurement for the Police Department and our citizens. Our goal is to improve that response to below 4 minutes.

Our community police stations continue to provide excellent services, including block watches, business watches, victim call backs, court notifications, and vacation house checks. We have a strong cadre of volunteers who donate more than 500 hours each month in service to their community and these programs. We continue to offer the Auto Theft Deterrent “Club Program” and the Memory Impaired Assistance Program out of both storefronts.

Shoreline is a safe community to live, work and play. We ask each citizen to consider joining us in our efforts to reduce crime by starting or joining a neighborhood watch program, becoming a volunteer or attending the Citizen’s Police Academy. The Police Department takes great pride in serving the residents of Shoreline. We do our very best job when the community is involved with us.

We are excited to continue to build upon the success of the past 16 years!

Respectfully Submitted,

Daniel M. Pingrey
Chief of Police – City of Shoreline

About the Annual Police Service Report

The Annual Police Service Report contains information on the service efforts and accomplishments of the Shoreline Police Department to support its mission, goals, and objectives.

The goal of the report is to keep the City of Shoreline residents, staff, administrators and elected officials informed of police service and crime activity in the city. The report is produced by the City of Shoreline Police Department in partnership with the King County Sheriff's Office (KCSO) Research, Planning and Informational Services and Contracts Units. Questions about the report can be directed to the Shoreline Chief of Police.

The Police Service Highlights section gives a narrative of police efforts and year-to-year comparisons of selected crime and police service data.

The Police Service Data section provides further detailed crime and police service data. Please note that numbers in this section may differ slightly from numbers in the Police Services Highlights due to collection from several sources and in some cases rounding up.

Shoreline Police Department Mission, Goals, & Core Values

Mission

The mission of the Shoreline Police Department is to prevent crime and create an environment where people feel safe, while providing quality, professional law enforcement services designed to improve public safety.

Core Values

The Shoreline Police are committed to the core values of Leadership, Integrity, Service and Teamwork. We firmly believe in our core values and let these values guide all work that we do in the community.

Goals & Objectives

In order to realize this mission, the City of Shoreline Police Department has adopted the following goals and objectives:

Goal # 1: Reduce crime and the fear of crime

Objective: Use information for crime analysis

Objective: Apprehend offenders

Objective: Prevent crime

Objective: Improve residents' feeling of security

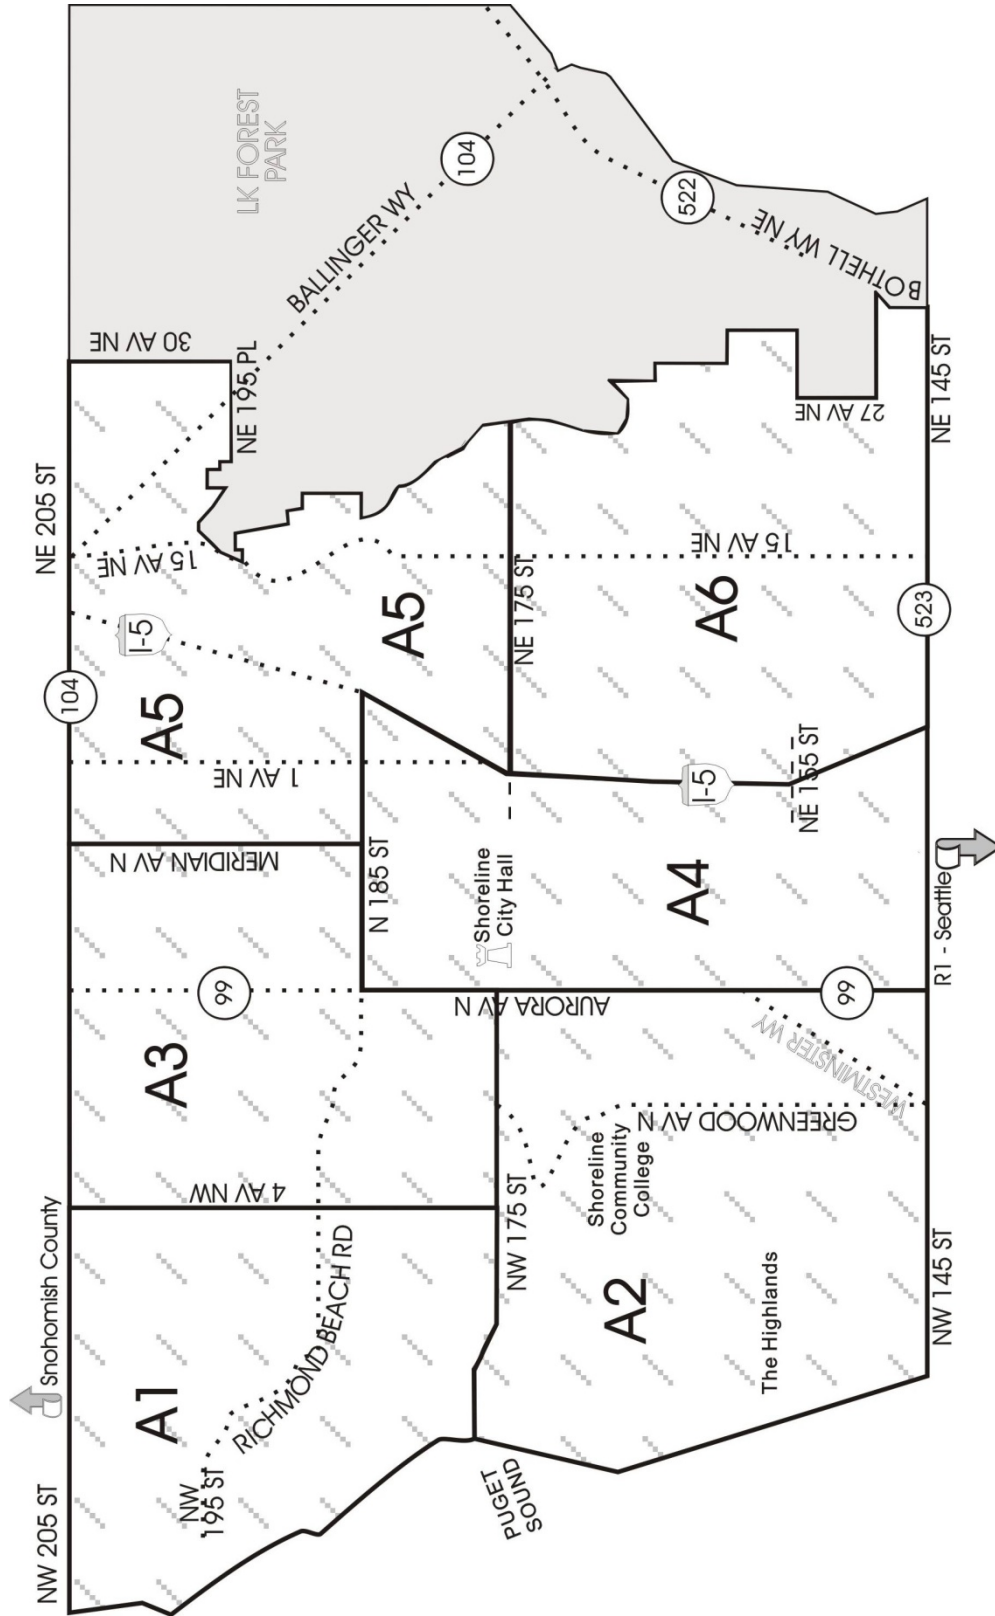

Goal # 2: Provide high-quality, cost-effective, and accountable services to the City of Shoreline

Objective: Provide responsive services to residents.

Objective: Provide cost-effective services to residents.

2010

City Cost Comparison

The city cost comparison study is conducted annually by the King County Sheriff's Office Contracts Unit. The study accounts for city budget differences and may factor in (or factor out) certain line items in an effort to allow for "apples-to-apples" comparison between cities. Shoreline's cost per capita shown here is different than the contract cost per capita, which only includes Shoreline's law enforcement contract paid to the county. The following budget information is obtained directly from the city's budget, which may include funding for extra police services.

City	2009 Crime Rate	2010 Police Budget	2010 Census Population	2010 Budgeted Sworn	Cost/ Capita	Cost/ Sworn	Sworn/ 1000
Auburn	53.50	\$21,165,207	70,180	100.00	\$302	\$211,652	1.42
Bellevue	34.20	\$33,937,328	122,363	180.00	\$277	\$188,541	1.47
Black Diamond	15.80	\$1,484,463	4,151	11.00	\$358	\$134,951	2.65
Bothell	27.80	\$10,970,610	33,505	58.00	\$327	\$189,148	1.73
Burien	53.80	\$7,520,416	48,072	49.02	\$156	\$153,415	1.02
Covington	38.70	\$2,844,412	17,575	15.72	\$162	\$180,942	0.89

Contract City Averages (weighted)					\$171	\$180,106	0.95
Non-Contract City Averages (weighted)					\$347	\$193,248	1.80

Data sources:

1. City budgets are found on city websites or via city finance personnel.
2. Population is from the 2010 Census.
3. Crime rates are from the Washington Association of Sheriffs and Police Chiefs (WASPC).
4. Crime rates for 2010 were not yet released at this report's publish date.

Shoreline's Crime Rate

The Crime Rate is a calculation of the number of Part I Crimes divided by population in thousands. Part I Crimes is a category of crimes established by the Federal Bureau of Investigation (FBI). It includes criminal homicide, forcible rape, robbery, aggravated assault, burglary, larceny-theft, motor vehicle theft, and arson.

Source: Police Services Data

Part I Violent Crimes against People

Part I Crimes include crimes categorized as “violent crimes” or “crimes against people.” The following are Shoreline’s Part I Violent Crimes.

Murder

Source for all below: Police Services Data

Murder

The following situations are not included in this crime classification: deaths caused by negligence, suicide, or accident; justifiable homicides; and attempts to murder or assaults to murder, which are counted as aggravated assaults.

Rape

Rape

Rapes by force and attempts or assaults to rape, regardless of the age of the victim, are included in this count. Statutory offenses (no force used—victim under age of consent) are excluded.

Aggravated Assault

Aggravated Assault

Aggravated assault is an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Robbery

Robbery

Robbery is the taking or attempting to take anything of value from the care, custody, or control of a person by force, threat of force, violence, or by putting the victim in fear.

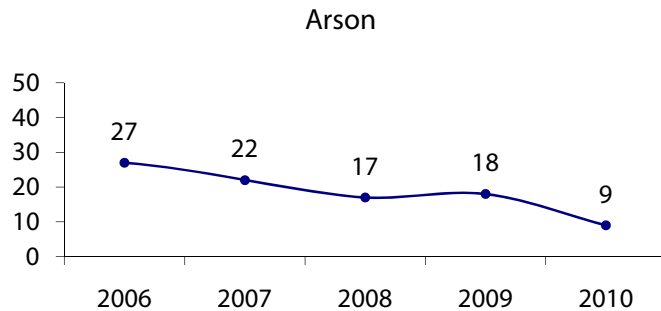

Part I Non-Violent Crimes against Property

The second group of Part I Crimes is known as “non-violent crimes,” “crimes against property,” or “property crimes.” The following are Shoreline’s Part I Crimes against Property. Information about vehicle theft, also included in this category, can be found with traffic and automobile incident information.

Arson

Arson is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, or personal property of another.

Source for all below: Police Services Data

Burglary (breaking or entering)

Burglary is the unlawful entry of a commercial or residential structure with the intent to commit a crime. Attempted forcible entry is included.

Larceny (except vehicles)

Larceny is the unlawful taking, carrying, leading, or riding away of property of any value amount from the possession or constructive possession of another. Examples are thefts of bicycles, motor vehicle parts and accessories, shoplifting, pocket-picking, or the stealing of any property or article that is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, forgery, check fraud, and like crimes are excluded.

Traffic and Automobile Incident Information

Vehicle Theft

Vehicle theft is included in Part I Crimes against Property. It is the theft or attempted theft of a motor vehicle, which is defined as being self-propelled and running on a land surface and not on rails. Motorboats, construction equipment, airplanes, and farming equipment are specifically excluded from this category.

Source: Police Services Data

Thefts and Attempted Thefts ("Prowls") from Automobiles

A theft or attempted theft ("prowl") from an automobile is the act or attempted act of taking something from the inside of an automobile.

Source: Police Services Data and CAD System

Shoreline Police Department Traffic Programs

Driving Under the Influence (DUI) and Driving While License Is Suspended (DWLS) Impound Ordinance

In December of 2009, the Shoreline City Council passed an ordinance that affects driving under the influence (DUI) and driving while license is suspended (DWLS) drivers. Vehicles driven by impaired or suspected drivers are subject to impound. Prior to a vehicle being released from the impound yards, an authorization for the release must be obtained from the Police Department. To obtain the release, the registered owner must provide a valid operator's license and proof of current insurance. A \$100 administrative fee must also be paid.

In 2010 Shoreline Police Officers impounded 444 vehicles under this ordinance helping to ensure that drivers are lawfully on the road.

SECTOR Program

In 2009, the Shoreline Police Department received a grant from Washington State for an Automated Ticket and Collision Reporting System (SECTOR).

The Traffic Unit just finished its full first year using the SECTOR program. SECTOR allows officers to use a web-based program in which they scan bar codes on driver's licenses and vehicle registrations to electronically file citation and collision reports with the court and state. This allows a faster and more accurate recording of information on scene.

Collision Reduction Program

This year the Shoreline Police Department began a collision reduction program in partnership with the City of Shoreline Traffic Engineers. This program will help identify high collision occurrence areas and possible remedies. This is accomplished by enforcement and looking at engineering solutions.

The Traffic Unit is comprised of five officers and one Sergeant. They wrote 4,765 citations, investigated 319 collisions, and arrested 181 subjects for various crimes. This unit also provides back-up to patrol officers and assists with prisoner transports from the Snohomish County Correctional Facility and King County Correctional Facility to Shoreline Court twice a week.

Traffic Collisions

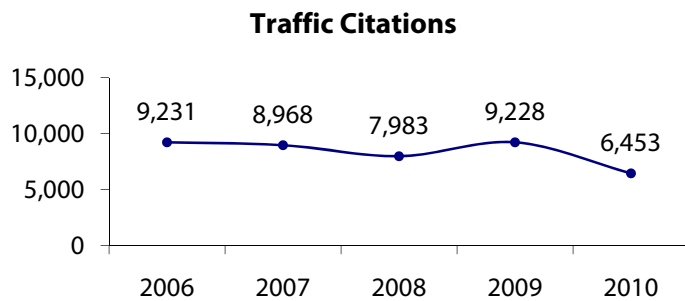

Collision information includes reports for injury, non-injury, and fatality vehicle collisions. Driving under the influence (DUI) collisions are excluded from this category.

Source: Police Services Data

Traffic Citations

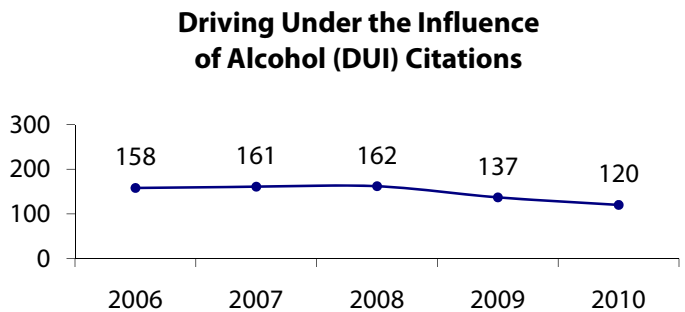

Traffic citations include reports of all moving/hazardous violations (such as all accidents, driving under the influence, speeding, and reckless driving), and non-moving compliance violations (such as defective equipment and parking violations).

Source: City of Shoreline. Note that the city began collecting this information in 2006. Therefore, only three years of data are available.

DUI Citations

Driving under the influence of alcohol citations are included in the above count for traffic citations, but are broken out here to show trends.

Source: City of Shoreline. Note that the city began collecting this information in 2006. Therefore, only three years of data are available.

Criminal Investigations Unit Highlights

The Criminal Investigations Unit is comprised of one sergeant and four detectives. Three of the detectives are responsible for investigation and follow-up on most felony crimes committed in the City. Homicide, special assault and major accident investigations are handled by the King County Sheriff's Office Major Crimes Unit.

The fourth detective works exclusively on fraud and forgery investigations originating in Shoreline. This detective is also assigned on a part-time basis to a Secret Service Task Force. His participation in this task force brings extra support to the City of Shoreline for any complicated investigations that include counterfeiting of US currency, internet and computer investigations and money laundering cases.

Highlight #1: Serial Burglary Ring Broken Up and Property Recovered

The suspects in this investigation are responsible for more than 50 residential burglaries spanning two counties. Over the course of almost six months, Detective Coblantz, in cooperation with KCSO Detective Matt Volpe, has been tirelessly working this case. Search warrants were served at several locations including a private residence, storage lockers, and vehicles. The amount of hours put into this investigation is staggering, but the effort was well worth it.

Police recovered stolen property from many different residential burglaries and the items have since been returned to their owners.

The main suspect has been held in the King County Jail on high bail awaiting trial.

The Repeat Burglar Initiative prosecutor is quoted saying, "Thank you to all of the detectives in Snohomish and King County who made this possible so quickly. Special thanks to Detective Coblantz for getting the search warrants for the phone records, as well as getting the cell phone tower records. Obtaining the cell phone tower records made a big difference. That evidence alone is now allowing us to charge the suspect with one more count of residential burglary that would have gone uncharged."

Highlight #2: Real Estate Fraud by Deception

In this case, the victims, who were first time home buyers, had just purchased a home that had been in foreclosure. They were contacted by a "former" real estate agent who told them that he represented the "real" owner of the property that he could get them a "better deal."

Detective Inn confirmed that the suspect in this case was involved in other suspicious real estate transactions in Bellevue, Redmond, and Kirkland.

Detective Inn worked undercover and accompanied the victims to a location to meet with the suspect. Using the information provided by the suspect, Detective Inn contacted the King County Prosecutors Office, and the suspect has been criminally charged.

Highlight #3: Greek Bust Recovered 6 Years After Being Stolen In Shoreline Burglary

On March 22, 2004, a home was burglarized in the Highlands, along with numerous others in this neighborhood around that time. After months of surveillance and hard work, Detective Magan was able to charge a suspect with many of these crimes. Unfortunately, she had been unable to charge the March 22 burglary. Until now.

A unique Greek marble bust with great sentimental value was one of the items stolen on March 22. Over the course of the past six years Detective Magan has spent numerous investigative hours attempting to recover the bust.

Recently, the FBI sent out a bulletin describing an undercover operation involving stolen art they had investigated. Detective Magan immediately recognized the Greek bust from the Highlands burglary. Working in cooperation with the FBI the Greek bust was positively identified and returned to its rightful owners.

Highlight #4: Home Returned to Senior Citizen

In January of 2010, Fraud Detective Will Marik was contacted by the King County Prosecutors Office to investigate a situation involving an 82-year-old male living in a group home in Shoreline.

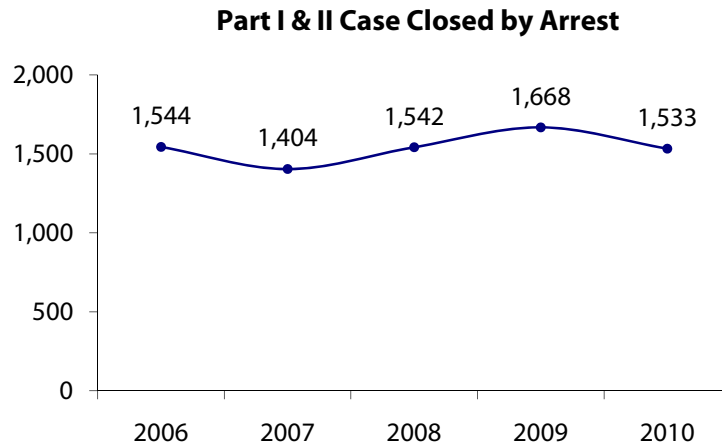

During the course of the investigation, Detective Marik confirmed the victim had sold his home for 50% of the current value to his "caregivers" in a private contract. He also discovered numerous other suspicious transactions between the victim and caregivers.

After a complete investigation, the home has been legally returned to the victim. Additionally, the state revoked the license for the group home provider so they will no longer be able to operate group homes in the State of Washington.

Detective Marik is assigned more than 20 cases involving adult protection to investigate each year. While some are investigated and resolved quickly, others such as the one described above can take months or in some cases years to fully investigate and resolve.

Part I & II Cases Closed by Arrest

The cases below represent incidents where an officer or detective has recommended that the King County Prosecutor’s Office file criminal charges against the case suspect. These criminal charges may result in an arrest or another form of punitive action, such as a citation. A prosecuting attorney is solely responsible for the decision to formally file charges and prosecute defendants.

Source: KCSO RPIS Unit

Adult and Juvenile Charges and Arrests

One or more charges can result from a single arrest. Charges also can be filed when probable cause exists against a person who may not have been arrested. The following are the total number of felony and misdemeanor charges and arrests by adult and juvenile status.

Source: Police Services Data

Special Emphasis Team (SET) Case Highlights and Seizures

The Shoreline Police Department Special Emphasis Team (SET) consists of one sergeant and four detectives. Three of the detectives are dedicated solely to the day-to-day operations of the SET Unit, the fourth detective is assigned to a DEA prescription drug task force.

The responsibilities of this unit vary and are flexible to address identified crime trends in our city. This unit typically works in a plain clothes (undercover) capacity and drives unmarked cars to enhance surveillance abilities. The SET Unit has received extensive training in surveillance techniques, case development, interviewing techniques, and vice and narcotic investigations.

The Shoreline SET Unit works closely with other neighboring police agencies, local state and federal task forces, and the King County Sheriff's Office on a regular basis. SET detectives follow-up on all drug and vice related arrests in Shoreline and all Narcotic Activity Reports (NARS) generated from citizens. The following are highlights of the SET Units work in 2010.

In the nine months that the Shoreline Police detective has been assigned to the DEA Task Force, the individual has been the lead detective on 13 cases. In addition to these cases, the detective has assisted on approximately six other cases. The detective has been responsible for 16 arrests and an additional eight are pending from an Organized Crime Drug Enforcement Task Force (OCDETF) case they are currently working.

The Shoreline Police detective was so successful at developing leads and working with informants that they initiated the first Title Three OCDETF Oxycontin case in DEA history! Listed below are some of the seizure numbers directly associated to the detective's assignment with the DEA Task Force.

2010 Special Emphasis Team (SET) Highlights

Vice arrests	14
Drug-related arrests	282
Miscellaneous Felony cases	20
Drugs Seized:	
• Cocaine	84.9 grams
• Heroin	180.5 grams
• Marijuana (Bulk)	2,815.35 grams
• Marijuana (Sites)	4
• Marijuana (Plants)	117
• Methamphetamine	124.8 grams
• Ecstasy (Tablets)	7,555
• Oxycodone(Pills)	745.25
• Other (Pills)	1,360
• Money Seized:	\$795,507.00
• Weapons Seized:	6

2010 DEA Task Force Highlights

Vehicle Seizures:	4
Weapon Seizures:	7
Oxycontin Pills:	3,245
Search Warrants:	18

Highlight #1 National Drug Take Back Day

The Shoreline Police Department participated in “National Drug Take Back Day” that occurred on September 25, 2010. The SET Unit coordinated the daylong event and arranged for drop boxes to be set up at the Eastside and Westside Store Fronts. At the end of the day, Shoreline citizens deposited more than 98 pounds of unwanted medication. The medication boxes were then transferred to a DEA drop site for disposal. The participation by Shoreline citizens exceeded the Police Department’s expectations.

**Highlight #2 Drugs and Cash Seized Following Oxycontin Investigation**

Shoreline SET detectives assisted DEA Task Force Officer Turi with a narcotics search at a known oxycontin dealer’s residence. A large amount of narcotics, packaging materials, \$307,000 in US currency, and assets suspected to be purchased with drug money were seized as evidence. Some of the assets seized included three high-end plasma TV’s valued at more than \$22,000.

Highlight #3 Counterfeit Money Operation

Patrol officers responded to the Shoreline Motel to investigate a domestic violence complaint, an arrest was later made. As the investigating officer worked on the case in his vehicle, the suspect began talking about another subject staying at the motel that was selling drugs and producing counterfeit money. The officer then contacted the SET Detectives and asked for their assistance. King County Sheriff’s Office TAC 30 team served the search warrant since the suspect had 10 felony convictions—three for firearms violations.

Two suspects were arrested and counterfeit currency was located throughout the motel room. SET Detectives seized 37 evidence items including almost \$12,000 in counterfeit money and counterfeit Metro Bus passes. Also located in the motel room were cell phones, a laptop computer, a printer, and various chemicals used to wash money. A drug scale and various narcotics were also seized which included oxycodone, methamphetamine, marijuana, heroin, cocaine, and a variety of prescription pills. Both suspects were booked into the King County Jail for Forgery and VUCSA (Violation of the Uniform Controlled Substance Act).

This case was turned over to the Secret Service for further investigation and will most likely be filed on the Federal level.

Patrol Highlights

Highlight#1: Taggers arrested

In 2009, Master Patrol Officer Kyle McCutchen began investigating the graffiti and tagging in the City. He educated himself on dozens of specific tags throughout the City and pulled all of the cases together under one project. There were hundreds of cases and victims, so it took MPO McCutchen months to sort them by common tags and markings.

By the end of April 2010, MPO McCutchen, assisted by Detective Magan, filed vandalism charges against 18 suspects. The majority of suspects are under 18 years of age and live in Shoreline. The "Serial Tagger," known as "KIDD," was arrested during the early hours of a December 2010 morning. The suspect in this case is a 35-year-old Shoreline resident. He was charged with multiple crimes to which he pled guilty and has since been sentenced.

Highlight #2: Robbery Suspects Nabbed By Patrol Officers

On December 24, 2010, Shoreline Officers responded to a robbery in progress at the 76 Gas Station located on the 15000 block of NE 145th Street. A white male wearing a mask and black gloves had robbed the clerk at knife point. A witness in the area observed the suspect get into the passenger side of a waiting car and provided the license plate number to 911. Due to the length of the driver's hair the witness thought the getaway driver could have been female.

Officers Gerlitz and Knight located the registered owner's residence and set up an observation post. Later that evening, the Officers observed a female jogging down the street matching the description of the registered owner of the suspect vehicle. She had outstanding warrants for her arrest and was taken into custody.

The suspect's car was recovered in Everett and sealed pending a search warrant. Officers determined that the female arrested earlier was the driver of the car following the robbery.

Ultimately the suspect was identified, arrested and charged with the Shoreline robbery, in addition to a robbery in Juanita and White Center.

According to Detective Sampson, an incredible job done by Shoreline patrol officers to immediately follow-up on possible leads, ultimately led to the identification and arrest of these robbery suspects.

Highlight #3: Aggravated Assault Suspects Arrested

On December 17, Officers responded to the Autumn Ridge Apartments to investigate a report of a naked man screaming in the parking lot. Officer Gerlitz was the first to arrive. She observed the man curled up in the grass covered in blood. He was unable to talk and could not open his eyes. Officer Myers arrived and followed a blood trail to a Jeep Cherokee parked in the lot. There was blood on the driver's side door, the dome light was on and there was ignition damage.

Officers determined that the Jeep belonged to the victim. Shoreline Medics arrived and advised that the victim's injuries could be life threatening. The officers immediately began canvassing the apartment complex and surrounding homes looking for evidence and witnesses. Detective Bartlett with the King County Sheriff's Office Major Crimes Unit responded to the scene. The King County Regional AFIS Unit processed the victim's car and recovered fingerprints which helped to identify the suspects in this case.

Two suspects were arrested and charged for the crime. Detective Bartlett was recognized as Detective of the Month for her efforts in this case by Western Washington's Most Wanted.

Calls for Police Assistance

The public receives police assistance in a variety of ways. Residents can call the Emergency 911 Communications Center to have one or more officers dispatched to the field, called a “dispatched call for service.”

In addition to dispatched calls for service, 911 center operators can take certain types of reports over the phone through alternative call handling (ACH). This allows police officers more time to respond to those who need an officer present at the location of their incident.

Following are the numbers of dispatched calls for service (DCFS) and alternative call handling (ACH) incidents reported.

Source: Police Services Data and CAD

Response Times to High Priority Calls

When calls for police assistance are received by the Emergency 911 Communications Center, they are entered into the Computer Aided Dispatch (CAD) system and given a “priority” based on the criteria described below. If the call receiver is in doubt as to the appropriate priority, the call is assigned the higher of the two priority designators in question.

“Priority X” designates critical dispatches. These are incidents that pose an obvious danger to the life of an officer or citizen. It is used for felony crimes in-progress where the possibility of confrontation between a victim and suspect exists. Examples include shootings, stabbings, robberies or burglaries.

“Priority 1” designates immediate dispatches. These are calls that require immediate police action. Examples include silent alarms, injury traffic accidents, in-progress crimes or crimes so recent that the suspect may still be in the immediate area.

“Priority 2” designates prompt dispatches. These are calls that could escalate to a more serious degree if not policed quickly. Examples include verbal disturbances and blocking traffic accidents.

Following are the City of Shoreline’s Police response times for the above priority calls. Response times include all time from the receipt of a phone call to the moment an officer arrives at the location of the incident.

Computer Aided Dispatch (CAD): A computerized communication system used by emergency response agencies for dispatching and tracking calls for emergency assistance.

Commissioned Officers per 1,000 Residents

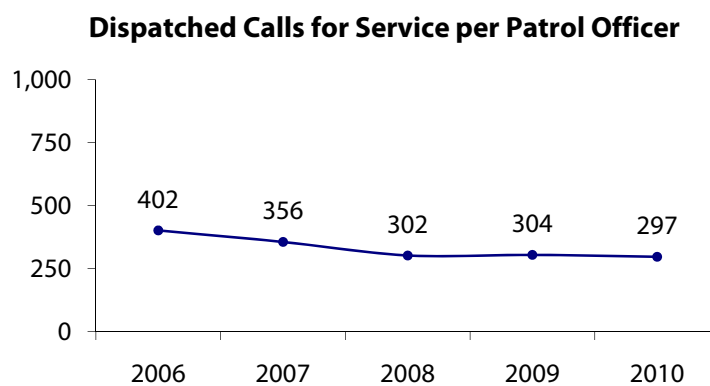

Commissioned officers per 1,000 residents shows how many commissioned police officers are employed by Shoreline for every 1,000 residents. The total number of commissioned officers includes full-time dedicated officers, plus officers who work in supervisory or other non-patrol related positions, as well as officers that work in specialty units that are on-call for the city. Although the number of Shoreline's dedicated officers may stay the same from year to year, the number of officers that respond to calls for service can change with the city's needs. Therefore, the number of total commissioned officers can increase or decrease, depending on Shoreline's service needs from year to year.

Dispatched Calls for Service (DCFS) per Patrol Officer

Dispatched calls for service (DCFS) per patrol officer is the average number of dispatched calls one patrol officer responds to within a year. This number uses only dispatched calls Shoreline pays for and does not include the number of responses an officer initiates (such as witnessing and responding to traffic violations, called "on views"). Also, the numbers below are *patrol only* and exclude non-patrol commissioned officers (such as supervisors or special duty officers/detectives).

Costs of Police Services per Capita

The City of Shoreline contracts with the King County Sheriff's Office (KCSO) for police services. Among other benefits, contracting for services from a larger law enforcement agency allows for cost savings through "economies of scale." Specific economies of scale provided through the contract with KCSO include:

- Mutual aid agreements with other law enforcement agencies in Washington State
- A large pool of officers if back-up help is necessary
- Coverage if city officers are away
- Expertise of specialized units to assist officers
- Experienced officers to select from for city staffing
- Cost sharing throughout the department to keep city costs down

Costs for police services vary depending on a city's resources and the level and type of police services the community wants. The City of Shoreline may have additional funds or expenditures for special projects or programs as part of the city's law enforcement budget. These additional costs are not reflected in the contract cost per capita, which shows the contract cost for police services divided by Shoreline's population.

Contract Cost per Capita

Complaints against Officers

Complaints against city police officers can originate from the public or internal police department personnel. When a complaint is made, the King County Sheriff's Office Internal Investigations Unit (IIU), which reports directly to the Sheriff, will review the complaint and determine whether a formal complaint investigation should be made. The following are the total number of internal and external complaints that were formally investigated for City of Shoreline officers:

	2006	2007	2008	2009	2010
Number of Complaints	5	3	4	3	0
Number of Dispatched Calls for Service	13,662	12,096	11,173	11,261	10,981

Complaints per 1,000 Dispatched Calls for Service

Shoreline Police Department Professional Staff

The Shoreline Police Department front office is staffed by one full time and one 30–hours-a-week non-commissioned employee. The police department also has one volunteer who works each Wednesday assisting with front desk duties and processing citizens who come in for fingerprinting.

Our clerks and volunteer keep quite busy and handle a myriad of requests in any given day. They are very familiar with the police department and resources within the City so that they can direct citizens accordingly. In addition to phone calls and front desk duties our clerical staff spends time on the following tasks,

Abandoned Vehicle Processing , Trespass Reports, Accident and Citation Reports, Business Licenses and Concealed Pistol Licenses Processing, Fingerprinting, Web Development, Filing and Scanning, Mail Distribution/Subpoenas, Meetings and City Events, Order/Restock Supplies, Payroll / Pay Bills, Projects/Correspondence, Transcription of Interviews

Crime Prevention, Volunteers, and Community Activities

Oftentimes crime prevention is seen solely as a police function but common sense and statistics show that's far from the reality. What each of us does or doesn't do has consequences and can prevent us from becoming victims of crime.

All too often, law enforcement takes reports on the stolen car that was left in the driveway warming up, or the stolen purse left in the car or in a shopping cart when the victim turned their back "for just a moment." Other times, it's a burglary where the suspect entered through an unlocked door or window. And sometimes, in spite of our best efforts to keep ourselves and our property safe—crime still occurs.

The Shoreline Police Department and Police Neighborhood Centers and Volunteers work to provide solutions, programs, resources, and education in crime prevention. Block Watch programs help neighbors organize, watch out for each other and their homes, and mark their property through Operation ID. Ongoing programs such as Project Home Safe (free gun locks), or the Anti-Auto-Theft program (low cost steering wheel locks), can aid Shoreline residents in making safety a priority and fighting against crime.

Don't wait until you are a victim of crime to join Shoreline Police in their crime prevention efforts. Get involved by visiting a local storefront office or exploring the Shoreline PD webpage to find out about crime prevention and community programs available to you.

Storefronts

Shoreline Police Neighborhood Centers, or storefronts, are known for the vital role they play in Shoreline. Each storefront is staffed by a police officer and numerous police volunteers who provide resources to the community. From court reminders, vacation house checks, victim call backs, pet licensing services, and discounted steering wheel locks, volunteers participate and manage wide-ranging programs in the Shoreline community.

Shoreline has 2 Neighborhood Police Centers:

- ▶ **Westside Storefront, 624 NW Richmond Beach Rd., (206) 546-3636**
- ▶ **Eastside Storefront, 521 NE 165th St., (206) 363-8424**

Storefront volunteers coordinate and manage the following services and programs provided to the Shoreline community:

- | | |
|---|---|
| ▶ Vacation House Checks | ▶ Crime Analysis |
| ▶ Victim Call Back | ▶ E-911 Business Emergency Notification |
| ▶ Citizen Park Patrol | ▶ Residential and business CPTED surveys |
| ▶ Court Reminders | ▶ Business Watch publications and crime maps |
| ▶ Memory Impaired Assistance Program | ▶ Pet Licensing |
| ▶ False Alarm Reduction | ▶ Project Home Safe (free gun locks to Shoreline residents) |
| ▶ Mail Theft deterrence/coordination with US Postal Service | |

Photos of Shoreline Police Volunteers

Block Watch and National Night Out

On August 3rd, Shoreline neighborhood Block Watches celebrated the "27th Annual National Night Out Against Crime (NNO). Block Watch groups lock their doors, take to the streets and join their neighbors to send criminals the message that they are organized and fighting back against crime. NNO heightens crime prevention awareness and strengthens neighborhood and police-community partnerships.

Shoreline Police worked with the City Neighborhoods, Public Outreach Coordinator and Shoreline Fire Department to register over 30 block parties. City, fire and police staff personally made visits to all registered events to get to know the community and provide their support.

Shoreline City Council proclaimed August 3, 2010, National Night Out Against Crime. Block Watch Captain Doris Hanson of the Highland Terrace Neighborhood accepted the proclamation from the City Council and spoke to them on behalf of all Block Watch groups in Shoreline. To find out how you can form a Block Watch Group, call one of the storefront offices or visit the police webpage at <http://shorelinewa.gov/index.aspx?page=183>.

Doris Hanson, Block Watch organizer in the Highland Terrace Neighborhood, is congratulated by Captain Stensland.

Volunteers of the Year

Volunteers are the lifeblood of our neighborhood storefront offices and contribute over 6,000 hours annually to Shoreline Police. Police staff recognizes their significant contributions by selecting a Volunteer of the Year. These volunteers consistently demonstrate superior service to the department as well as maintain positive relations with the public, department members and other volunteers. The 2010 award was given to Mary Kay Doyle and Glenis Pereboom.

Mary Kay Doyle has been volunteering since the opening of the Eastside Storefront in 1997. She has been involved in almost every aspect of the storefront. Currently, Mary Kay maintains statistics for the daily activity log

and provides monthly reports of our activity. She can always be counted on to have a gracious smile and provide great customer service to the Citizens of Shoreline.

Prior to Volunteering, Mary Kay worked for Seattle Trust for 25 years. She was a Bank Manager in Pioneer Square and an assistant Vice President.

Mary Kay has been an active member on the Ridgecrest Neighborhood board for over 10 years. She displays tireless devotion and professionalism to the citizens of King County and the City of Shoreline.

2010 Volunteers of the Year, Mary Kay Doyle and Glenis Pereboom.

Glenis Pereboom has been a volunteer for Shoreline Police for over eight years. Unfailingly dedicated to the Shoreline community, we've found Glenis donating her time on holidays, weekends, and numerous weekdays to ensure program work is complete.

Glenis compiles statistical information for Block Watch and Business Watch program maps for our webpage. She assists with the Victim Call Back program, coordinates mail theft information with the Postal Inspector and manages the West Storefront Pet Licensing program.

On a more personal note, Glenis has lived in Shoreline for over 47 years where she raised a family of five children.

Growing up on a farm in South Dakota, she discovered a fondness for trapshooting and hunting, and is well versed with a 12 gauge shotgun. She competed as a junior in both state and national competitions. Glenis continues to enjoy shooting as she takes part in our volunteer day at the range each year.

Citizen's Academy

Shoreline Police and the King County Sheriff's Office hosted their annual Citizen's Academy to increase the understanding between citizens and their police department through education.

This remarkable and educational ten week course covers 20 different topics and presentations, including: Defensive Tactics, K9, Major Accident Investigations, Homicide and Major Crimes, Automatic

Fingerprint Identification System (AFIS), Green River Investigation, Guardian One Helicopter and Marine Patrol.

Graduates of the Citizens' Academy come away with a better understanding of the law enforcement role in the criminal justice system and an appreciation for the many challenges facing law enforcement in today's complex society.

The Academy runs March through May each year and applications become available in January. This is a unique experience and it's offered at no cost to Shoreline residents and those who work or attend college in the City of Shoreline.

Deputy Houser's K-9 dog "Scout" joins the class.

Students touring the B.E.A.R. (Ballistically Engineered Armored Response).

Academy class with helicopter Guardian One and Pilo Jon Loy.

15 Years of Service

Shoreline Police boasts 30 volunteers, 10 of whom have reached the milestone of 15 years of service to the department. Most volunteers serve at the Neighborhood Storefront offices located in the Ridgcrest and Hillwood neighborhoods. We're certain the community joins us in saying "Thank you!"

Additionally, we'd like to recognize the significant contributions of our Police Volunteers who have served for over 10 years: Dan Henry, Mary Kay Doyle, Vivian Cadwallader, Julie Allen and Sue Hempel. Volunteers received the President's Volunteer Service Award for 2010. Now more than ever, volunteers are renewing their commitment to helping others and making new connections that bring us closer as families, neighbors, communities and as a Nation. This award recognizes the valuable contributions volunteers are making in our community and encourages more people to serve.

Shoreline Police Volunteers demonstrate their commitment by example and inspire others to engage in volunteer service.

For more information about these and other programs, contact the Shoreline Police Department at (206) 801-2710 or visit the police webpage at: <http://shorelinewa.gov/index.aspx?page=183>.

Special Olympics Torch Run

For the past 15 years the Shoreline Police have taken part in the annual Special Olympics Torch run. On June 4, 2010, Officers with the Shoreline Police Department picked up the torch from the Edmonds Police Department and ran through the city handing off to the Seattle Police Department. A fun run for a very worthy cause!

Thank you to the Shoreline Fire Department for their assistance.

Shoreline Police Department Annual Awards

Shoreline Police Officer of the Year

MPO Brent Naylor is the Shoreline Police Officer of the Year for 2010. MPO Naylor transferred from the King County Sheriff's Office North Precinct to Shoreline Police in November of 2009. He has held numerous positions within the Sheriff's Office including Field Training Officer, TAC-30, Forest Service Deputy, Motor Officer, and Firearms Instructor. On November 5, 2010, Naylor celebrated 19 years of service with the King County Sheriff's Office.

MPO Naylor is currently assigned to patrol. His work ethic can be held as a standard for all officers to strive to.

He is a thorough investigator and regularly puts extra time and effort into his investigations. MPO Naylor is the highest producer of on-views for his shift. His tenure provides him with a base of knowledge and experience that affords him the ability to make excellent decisions even in the midst of chaos. According to his supervisor "MPO Naylor has a very even-keeled disposition and is easily approachable. He has a strong character that drives him to put others needs before his own. His humble personality has endeared him to his partners and makes him a valuable resource."

Shoreline Police Detective of the Year

Detective Will Marik is the Shoreline Police Detective of the year for 2010. He conducts fraud and forgery investigations as well as working part time with the Electronic Crimes Task Force operated by the United States Secret Service.

By participating in this Task Force he has received extensive training and is one of approximately 300 examiners in the country who are considered an expert witness in the forensic computer field. It is crucial to the success of any Unit that the members of the team work as a collective. Truly, this Task Force is the epitome of "Team" they have been incredibly successful and have gained recognition from Washington D.C. as one of the premier task force groups.

In addition to the fraud and forgery investigations he is responsible for investigating Adult Protective Services referrals. These investigations concern reports of Financial Exploitation of vulnerable adults. Most of these are considered complex investigations involving long term financial loss, will and probate issues, and real property concerns. In 2010 Detective Marik investigated 20 Adult Protective Service referrals.

Detective Marik has developed an extensive network within the private and public sectors. These relationships allow him to obtain the necessary information to move cases forward. He is the consummate professional and his integrity is above reproach.
